Dear AATG Member:

Thank you for your interest in the AATG German Summer-Study Program. Please complete the attached application form and return it to us as soon as possible - but no later than February 15. Also, please ask your department chairperson, school principal, or superintendent to write us a confidential letter of recommendation on your behalf. We will contact you by April 1 to inform you of your status.

AATG pays for the chaperone's round-trip air fare to Germany and provides \$250 spending money. Usually, the chaperone lives with a German host family who provides room and board. The chaperone teaches at least two hours of classes daily, and acts as the liaison between the *KursleiterIn* and the school, the host families and the students.

Since we are interested in motivating as many students as possible to take part in the program, we prefer chaperones whose own students participate, or who encourage other students in their area to participate.

Detailed program information is available at:
<http://www.aatg.org/German-Summer-Study-Program>

Student applications can be found at:
<http://www.aatg.org/summer-study-applications>

Please call if you have any further questions regarding the program.

Sincerely,

A handwritten signature in black ink, appearing to read 'Helene Zimmer-Loew'. The signature is fluid and cursive, with the first name 'Helene' being the most prominent.
