

AATG Level One Tests Available

AATG is pleased to announce the availability of previous AATG Level One Tests. These tests are designed for students in grades 7-12 to be taken at the end of the equivalent of their first level of German instruction.

The test is composed of 70 written multiple choice questions and is divided into four parts. Part A consists of a series of written questions for which the student must select the correct written response. In Part B the student is given a sentence in which a word or phrase has been omitted and is asked to choose the correct insertion from four choices. In Part C a situation is suggested for which the student must select the correct remark/rejoinder, and Part D consists of German reading passages followed by a number of incomplete statements for which students select the correct completion. In keeping with newer testing techniques, both parts A and D will have some items based on realia and graphics.

The test is designed to be administered during one class period, or a time span of approximately 45-50 minutes. No part of the test is oral or based on taped material. **These tests are administered and graded by the teacher.**

**Cost: \$2.00 per test.
There is no deadline for orders.**
